

« LA CUIILLIERE »

« La cuilliere » is a simple app made to find and to rate and comment restaurants in Paris and its region.

The app has 5 pages.

Page « log in with facebook »

Page « homepage »

Page « list of restaurants »

page « description of restaurant »

page « rate the restaurant »

Restaurants are classified by administrative departments. For example paris, Seine saint denis, ...

There is no geolocalization.

People can rate and comment restaurants.

THE APP :

PAGE « LOG IN WITH FACEBOOK »

User opens the app. At first use, user has to log in with facebook.

User then comes to home page.

HOME PAGE.

3 fonctions :

« contact us » button :

At the top of the page on the left, there is a button. User clicks on it, and then it is written : « pour nous contacter, envoyez nous un mail sur wed.stickers@gmail.com (to contact us, send us an email on wed.stickers@gmail.com).

Search bar :

There is a search bar where is written « Nom du restaurant » (name of the restaurant). In the search bar user can only write the name of a restaurant. If the restaurant exists in the app, he can click on it and then user comes to the page of the restaurant (see below).
